

### REMARKS

Applicant has updated that status of the Claims with proper identifiers as requested by the Examiner. Claims that were previously denoted as "Amended" in the Amendment filed April 25, 2005 are now denoted as "Currently Amended". Applicant previously provisionally elected Group III including Claims 8-10. This election was made without traverse. Claims 8-10 were amended within the scope of the specification. Furthermore, Applicant amended the dependency and limitations of Claim 12 to correspond to that of independent claim 8. Claims 13-15 remain as originally drafted but now recite additional limitations to dependent Claim 12. Finally, Applicant added Claims 16-19 as dependent claims of Claim 8 and respectfully requests consideration thereof. The amendments to the Claims do not represent the inclusion of new matter and are supported by the Specification (see for example page 13 lines 10-25).
